Dear Friend:

I write to you requesting your participation in the 2005 Drug Price Survey for the 10th Congressional District.

In the past, my office has surveyed pharmacies such as yours in order to help local senior citizens purchase commonly prescribed pharmaceuticals at the lowest prices.

This year, this survey is especially important. Seniors will have many more factors to consider when purchasing prescription drugs because of the new Medicare drug plan scheduled to be implemented starting January 1, 2006. It is our hope that the drug survey will be a useful tool for seniors deciding where to shop.

I am asking for your help with the project again this year. Please fill out the enclosed survey and return it by Friday, November 11. Please fax the completed survey to the Washington D.C. office at: (202) 225-5745. Feel free to contact Vic Edgerton, of my staff, with any questions at: (202) 225-5871.

I look forward to your participation. Thank you for your time.

Sincerely,

A handwritten signature in black ink that reads "Dennis J. Kucinich".
